Re : The demise of Sri V. C. Pavate, Member, Legislative Council.

Mr. SPEAKER.—Now, it is my painful duty and it is with deep sorrow that I have to inform the House about the sudden demise this morning in the Legislators' Home of the Hon'ble Member, Sri V. C. Pavate, the sitting member of the Legislative Council representing the Graduates Constituency (Mysore Central). Sri V. C. Pavate came from an agriculturist family and after his early education at his native place, took his Bachelor of Agriculture degree in 1923 from the Bombay University. He was a member of a number of social and political organisations. He was taking keen interest in agriculture and had published a number of books on agriculture. He was a member of the Legislative Council since 1958 and also a member of the Senate and Syndicate of the Karnatak University, Dharwar. He was also closely associated with the Agricultural University in its various activities. It is the desire of the members, as represented to me, that I should associate myself with the sentiments contained in this and I do so not only on my behalf but on behalf of the entire body of legislators. I desire on behalf of the House to express our sentiments of deep loss we have sustained and our sympathies to the relatives of the Hon'ble Member. I request the House to stand for a minute in silence to express our sorrow.

(Hon'ble Members stood for a minute)

Now, I propose to adjourn the House without transacting any regular business of the day as a mark of respect to the memory of the deceased. It is so done because the demise has taken place during the Budget sittings of the Legislature.

† Presented on the Recommendation of the Governor of Mysore.
